

The National Philatelic Exhibitions of
Washington, D. C., WELCOMES YOU TO...

Qualified! Thinking about selling? I'll travel to you, wherever you are, whenever you say, at no cost to you—if your collection qualifies. Collection or single rarity, if it's worth more than \$10,000, it qualifies. I travel a lot on such buying trips, and since I enjoy meeting collectors, I never tire of it.

“Qualifying” is important in another way—in being qualified to judge your holdings. Because of our volume there's hardly anything that hasn't been through our hands many times. That accumulated experience gives us the expertise to recognize the value of what you've lovingly collected over the years. And that translates into the better realization when consigned to my auctions, or the better cash offer for direct purchase. On the spot. Call me, toll free, at 800-424-9519. In Metro D.C. call 638-5658.

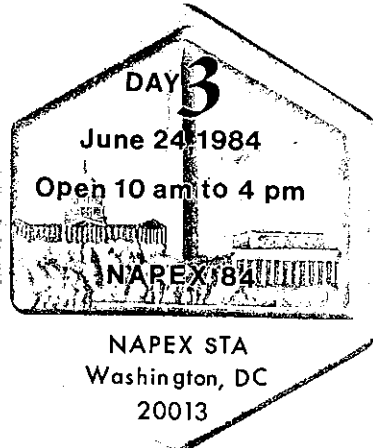

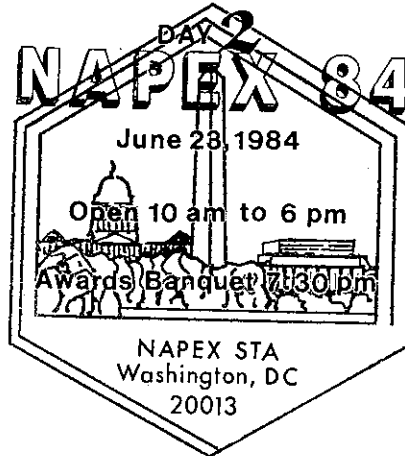

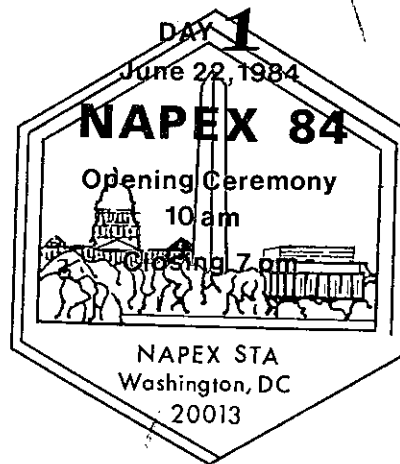

Qualified! Yes!

CHAIRMAN'S WELCOMING MESSAGE

Dear Visitors:

June 22, 1984

This year NAPEX is holding its largest and busiest exhibition of all time and wishes to take this opportunity to extend to all of its philatelic friends a very warm welcome to the "Big Show" as well as to the Nation's Capital which is so beautiful at this time of the year.

Special philatelic greetings are extended to the participating societies which are holding their annual national conventions in Washington this year--The U.S. Philatelic Classics Society, the Confederate Stamp Alliance, the Bureau Issues Association, the War Cover Club and the Europa Study Unit. All of these societies will have hospitality booths in the NAPEX lounge on the first floor of the exhibition hotel and have scheduled convention meetings during the weekend.

Many other societies will be holding regional meetings and will have hospitality tables as well. In addition, all visitors are cordially invited to attend the major NAPEX auctions on Friday and Saturday afternoons in Commonwealth Room #1, currently handled by the John W. Kaufmann organization of Washington, D.C.

NAPEX will once again offer a multi-colored souvenir card designed and printed by the Plate Printers Union of Washington, D.C.

Philatelically yours,

Milton Mitchell
