

Looking for a new source of low and medium priced stamps for your collection?

John W. Kaufmann Inc. does more than sell "Gems" and other premier philatelic properties at auction...

John W. Kaufmann, Inc., long regarded as one of America's leading stamp auction houses, recognizes a serious void in the philatelic marketplace. As the old-time stamp shop with its worldwide stock rapidly disappears there is almost nowhere for the average collector to go. Where can someone to whom \$100—or even \$25—is a lot to spend for one stamp find quality stamps at an affordable price?

Capital Mail-Bid Sales . . .

In the past year Capital, a division of John W. Kaufmann, Inc., has offered over 15,000 lots of popular priced stamps and sets consisting of over 4000 lots of United States & Possessions, 5000 lots of British Empire and 6000 lots of General Foreign. Included were specialized sections of such diverse areas as . . .

- U.S. & Canadian Revenues
- French Colonies
- Mexico
- German Se-tenants
- French Booklets & Coils
- British West Indies

The vast majority of these lots sold in the \$10-50 range and, best of all, no 10% buyers premium!
