June 24, 1994

Dear Visitor:

Welcome to the 31st year of the National Philatelic Exhibitions of Washington, D.C., Inc., better known as NAPEX 94.

A year ago in May 1993, Milton Mitchell, our long-time president, resigned due to ill health. His health has greatly improved and he and his wife Marion will be here all day Saturday, June 25. They will also attend the Awards Banquet Saturday evening.

NAPEX is pleased to announce that it has reached agreement with the management of this hotel—the Sheraton National—that we have firm reservations here for the next 6 years as follows:

- NAPEX 95.....June 2, 3 and 4
- NAPEX 96.....May 31, June 1 and 2
- NAPEX 97.....June 20, 21 and 22
- NAPEX 98.....June 19, 20 and 21
- NAPEX 99.....June 18, 19 and 20
- NAPEX 2000.....June 16, 17 and 18

The NAPEX 95 Prospectus is available at the Information Desk in the lobby. An early commitment by collectors who wish to exhibit is suggested. This year the total number of requests for frames was in excess of 500. We can only accommodate 288.

We have with us this year the Bureau Issues Association (BIA) and the Federal Managers Association (FMA). They have joined together to produce for sale a tri-fold souvenir card marking the 100th anniversary of the printing of postage stamps by the Bureau of Engraving and Printing.

We also welcome back the United Nations Post Office. They are, of course, prepared to use their UN cancel and are well supplied with UN stamps and allied material.

Sincerely,  
  
 Lawrence W. Draeger
